If you have questions regarding the above information, please contact the Financial Aid office.

I agree to comply with all requirements necessary to complete the financial aid process. In addition, I agree that the UCR Financial Aid Office is not responsible for my financial obligations to UC Riverside.

I agree that my financial aid eligibility is based on the financial information provided by me and/or by my family and that my financial aid award is subject to adjustment if changes occur, or if errors are subsequently discovered.

I agree to notify the Financial Aid Office of the sources and amount of any additional financial assistance that I may receive, including scholarships, loans, assistantships, fellowships, benefits, etc., which do not appear on my **Financial Aid Award Offer**.

I agree that in order to receive financial aid I must be making satisfactory academic progress (SAP) toward my degree as described in the Financial Aid Satisfactory Academic Progress Policy.

I agree that eligibility for my aid will be based on the number of credit hours in which I am enrolled at the end of the add/drop period and I agree that I must be enrolled full-time on that date to receive the full amount of my financial aid awards.

I agree that if I withdraw from the University or stop attending classes before the end of the term, but after receiving my financial aid, I will repay all or a portion of my financial aid funds, as required.

I agree that I will repay any financial aid funds due as a result of a withdrawal or an overaward situation, and that I will not be eligible for future financial aid and I may have a hold placed on my University records until my repayment is complete.

I agree that the tuition, fees, and charges posted here are estimates and actual tuition, fees, and charges are subject to change by the Regents of the University of California and could be affected by State funding reductions. Accordingly, final approved levels of financial aid award amounts and balance due may change.
